

WASTE INDUSTRIES CLASS ACTION SETTLEMENT CLAIM FORM
FEE CLAIMS

- This is a very simple process. To submit a claim for settlement payment related to the “fuel surcharges” (also called “energy recovery fees”) and/or “environmental fees” (the “Fees”) you paid to Waste Industries and/or to any of its affiliated companies (collectively “Waste Industries”), you must complete the information below and sign where indicated. Failure to include this information and sign this Claim Form will result in denial of your claim(s).
- If you do not want to rely upon the information Waste Industries has in its computer system, you may—but are not required to—submit any and all invoices you have from Waste Industries which the settlement administrator will use to create as complete a record as possible to determine your claim. See the Notice of Settlement for more detail. Enclose such invoices with this claim form.
